CLEARINGHOUSE RULE 13-056

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the analysis of the proposed rule, the department should delete the words “states that” from the fifth line of the paragraph under the heading “Explanation of agency authority”.

b. Throughout the analysis of the proposed rule, use of the section symbol, “§”, is unnecessary. For example, under the “related statute or rule” heading, the department should write “Section SPS 128.04, Wis. Adm. Code” rather than “s. SPS § 128.04”.

c. In the rule analysis, under the heading, “summary of factual data and analytical methodologies”, the department should remove the word “an” that immediately precedes “appraisers” in the fifth line of the paragraph.

d. In SECTION 3, each word in “Wisconsin Administrative Register” should be capitalized. [s. 1.02 (4), Manual.]
